Hi Pascale,

RE: IEA EXTERNAL CONTACT DETAILS

During our meeting in Amsterdam, we noted that I would provide a list of organisations that the IEA has contact with together with details of the persons responsible for this liaison. We then agreed that this would be posted on the IEA website. There is a section on the website that provides details of our external program links particularly relating to WHO and ILO. I suggest that we could add this to this section of the website if Jon is able to do that.

Table with 2 columns: Organisation and Contact Persons. Rows include International Commission on Occupational Health (ICOH), International Occupational Hygienists Association (IOHA), and various national societies.

- List of member organizations from various countries including All-Ukrainian Ergonomics Association, Belgian Ergonomics Society, Gesellschaft für Arbeitswissenschaft, Irish Ergonomics Society, Philippines Ergonomics Society, Société Tunisienne d'Ergonomie, etc.
